Sir, Through the Director of public Instruction, Madras.

With reference to G.O.No. Mis:628 L & M., dated 10-1-24, I have the honour to state that the Municipal High School having been in urgent need of a Mathematics Assistant, the place was advertised and in response thereto four applications were received. Of these three of the applications were from B.A., L.T's and the fourth was from a B.A. One of the above qualified applications (Mr. T. Laxamana Rao) being willing to serve in minimum salary was selected and orders by wire were communicated to him to join the appointment forthwith. After a long delay he declined the offer. Of the remaining two qualified applicants one (Mr. P.R. Srinivasan) demanded higher starting pay as well as higher scale of pay while the other (Mr. M.V. Srinivasan an Honours Graduate and the present ~~III~~ 3rd assistant

assistant) offered to take up the appointment provided he was given a salary of Rs:92/- in the scale of Rs:80-4-100 to start with. The Chairman had no other alternative than to select the last mentioned applicant.

There were also two applications from History Graduates of whom Mr. Sankaran an M.A. of three years experience was better qualified than the other. Having demanded a decent salary he was given Rs:60/- to start with in the scale of Rs:50-2-60. Mr.Sankaran was appointed to act for the V Assistant who was sent up for training. The teacher having rejoined after undergoing training Mr. Sankaran has been relieved and he is not in service now.

The fact that all the qualified applicants were unwilling to take up the appointments on the minimum salaries obtaining in this Municipality will convince Government that the salaries are comparitively low and not at all attractive. For this very reason the Municipal High School staff presented a Memorial to the Chief Minister when he had been here recently requesting him to represent to Government for the improvement of their salaries. Proposals have since been submitted to Government for the revision of the salaries of the Municipal High School establishment which are pending disposal with Government.

For the above reasons the Government will be pleased to reconsider the G.O. under reference and to sanction the salaries of Rs:92/- and Rs:60/- on which the III & V Assistants were respectively appointed to start with.

I have the honour to be,

Sir,

Your most obedient servant,

Narayana Rao

Chairman, M.C.
